

Miguel Martínez

Designer

PROFILE

Hello, my name is Miguel, I am a graphic designer by BUAP, but i am dedicated at user interface design and motion graphics.

I passionate my work, as designer I consider me an agent of change, after the university i'm learning constantly self-taught about my profession development and colaborate in several projects.

I am based in Puebla, Mexico and when I'm not designing something cool or writing code cute, i ride a bike.
